

COWBOY ACTION SHOOTING AT RESICA FALLS

NEW FOR 2018

The program offers a fun and safe introduction to cowboy action shooting with pistols, rifles, and shotguns. While attending camp, Boy Scouts and Venturers 14 years of age or older can take part in a special shooting experience with opportunities to shoot single-action .22-caliber pistols, lever-action .22-caliber rifles, and 12-gauge or 20-gauge shotguns.

In various old-time western scenarios, Scouts play “good guys” who prove their accuracy by shooting at things like spinning metal targets where they hit the spinner to “ring the bell.” All shooters choose their own cowboy action names before starting so the NRA instructors—dressed in cowboy attire—can call them by those names.

YOUTH REQUIREMENTS

Boy Scouts and Venturers who are over the age of 14, or are 13 and have completed the eighth grade, may participate in this activity.

All youth participants are required to have written permission from their parent or guardian before they can take part in the program.

TRAINED SUPERVISION

The cowboy action shooting program is conducted by NRA-certified instructors with pistol, rifle, and/or shotgun certifications (will have all three if using all three types of firearms). Each cowboy action shooting participant will be accompanied by a certified pistol, rifle, or shotgun instructor (depending on the firearm being used) who is actively involved in every shot and all of the gun handling. All Range Safety Officers and instructors for this program possess current credentials for the discipline they will be instructing.

BSA Youth Protection policies for two-deep leadership must be maintained at all times.
